

# OAKDALE ACADEMY

CHARACTER • TRUTH • WISDOM

May 8, 2019

Parents,

As summer quickly approaches, we want to encourage families and students to maintain good reading habits over the summer months. Attached are reading calendars where you and your child can record the minutes they spend reading this summer. On the bottom of the calendar, you will find grade level expectations for how many minutes students should be reading per week. Please note, students who have completed Junior Kindergarten are noted as “Rising Kindergarten,” and so on.

Students who return a completed calendar with parent signature indicating that all requirements have been met, will earn an ice cream reward after the start of school. All completed reading calendars are **DUE NO LATER THAN FRIDAY, AUGUST 23, 2019.**

Wishing you a blessed and book-filled summer!

Sincerely,

Lower School Teachers
