

# OAKDALE ACADEMY

CHARACTER • TRUTH • WISDOM

It has been said, “*Reading is to the mind what exercise is to the body.*” The school year has ended but good reading habits should be a consistent part of our daily routine as we head into summer. With that in mind, we begin our Oakdale Academy Summer Reading Program.

For grades JK – 4, your reading calendar is on the back of this page. Grades 5 and above have separate reading requirements for which they will complete book responses or book reports. Please encourage your child(ren) to follow the guidelines for completing their reading plan throughout the summer.

Successful completion, and the return of required paperwork, qualifies students for the annual ice cream sundae reward in the fall. We look forward to celebrating a summer of growth by developing the love of reading.

Abraham Lincoln said, “*A new book is like a friend that I have yet to meet.*” Be sure to meet many new friends through the wonderful world of books this summer. **Happy reading!**
