

OPENING CEREMONY

Oakdale Academy's Daily Commencement

WHY WE PAUSE

Opening ceremony is a tradition at Oakdale Academy and at many classical and classical Christian schools throughout the country. We gather outside as it allows us to build a community, enjoy the beauty of God's creation, and watch the solemnity of the raising of Old Glory to its place atop our flagpole. We have a modified procession to begin the day quietly and set our hearts and minds on greater things.

Each day, Opening Ceremony includes the Pledge of Allegiance, a patriotic song, our Opening Prayer, student recitations, and announcements.
