UNIFORM GUIDE

BUILDING CULTURE

At Oakdale Academy, we have a strong desire to create a culture that upholds virtue, consistency, and decorum. Our school uniform seeks to achieve a lovely, academy-appropriate appearance so as to keep all students properly focused on their development in wisdom and character.

To assist in creating this culture, all families of our school community will create this culture by adhering to the following standards at all Oakdale community events.

NON-UNIFORM DAYS

During non-uniform days, we expect students to refrain from wearing tight-fitting clothing, shirts that reveal a midriff (even if covered by another shirt), leggings, clothing that reveals undergarments/straps, and clothing that draws attention to private areas of the body. All students may wear athletic or comfortable non-uniform shoes on these days. No high heels, flip-flops, or other impractical shoes may be worn.

BLUE JEANS DAYS

On designated Blue Jeans Days, students may wear comfortable, loose-fitting, full-length, only blue in color denim jeans with an approved Oakdale Academy spirit wear shirt.

GAME DAYS

On days when games are scheduled, athletes on that team may wear their team warm-up jackets (not polos) or varsity letter jackets (if they have an earned varsity letter from OA) over their regular uniform attire.

BIRTHDAYS

On their birthday (or half-birthday for summer birthdays), students may have a free Blue Jeans Day. If their birthday falls on a Chapel Day or other formal uniform day, the student must celebrate their birthday Blue Jeans Day the day before or after.
